

2016-2017 Physical Fitness Test Timeline

EVALUMETRICS, INC.

California Physical Fitness Test Scoring Service

Evalumetrics, Inc. is pleased to offer our services for the annual reporting of the California Physical Fitness Test data. This assessment is required for all students in grades 5, 7, and 9. We are committed to providing the best quality and prices in California while maintaining continuity of your current services and products.

Service Includes:

- **100% CDE Compliance** – State data file created to CDE specifications and uploaded to your Evalumetrics account in a timely manner
 - Data corrections processed at no additional charge
- **Pre-ID Data Processing and Reporting** – Scantrons delivered two weeks after receiving pre-ID file
 - e-Templates uploaded to your account within a week
 - Access to electronic testing through your account
 - Pre-ID files can be resubmitted until you're 100% satisfied
- **Preliminary Report and Test Data Correction Files** – Test results processed and timely uploaded to your account
 - Corrections resubmitted until you're 100% satisfied with you data
- **PowerPoint Presentation Charts** – District and school PowerPoint chart packets supplement your Physical Fitness Test results presentations
- **District, School and Teacher Reports** – Vibrant colors direct attention to the most important findings
 - Teachers' reports include color-coded class roster results
 - Report packets bundled by school for easy dissemination
 - Reports customized with your district logo
 - PDF REPORTS PROVIDED AT NO CHARGE
- **Student Reports** – PDF student reports are pre-sorted to meet your needs, either by teacher or alphabetically, and ARE PROVIDED AT NO CHARGE
 - Printed student reports and shipping for an additional charge
- **Client Accounts** – Final reports, PowerPoints, and data files uploaded to all client accounts
- **Help Desk Support** – Toll-free customer support at 855-952-9528
